

Healthcare Executive Search. Reimagined.

Innovative. Proven. Trusted.

Finding your next great leader begins with us

Your healthcare organization relies on its leaders to successfully navigate today's competitive and rapidly evolving market. Whether you are hiring for a permanent or interim vital executive position, the process of finding – and retaining – the right candidate can be challenging. But it doesn't have to be.

With solid experience, advanced techniques, extensive network, and proven results backing our innovative approach, Rokos Group delivers unparalleled and personalized support in sourcing qualified executive talent that fits your organizational needs and culture.

Looking for a change-maker with long-term vision and the right practical credentials?

Your executive search starts with Rokos Group.

Why Choose Rokos Group?

Extensive Expertise With 30+ years in healthcare and life sciences executive search, our knowledgeable team applies a personalized, efficient approach to elevate and shorten the executive search process.

Innovative Approach Our partner-led searches and creative use of video humanizes the search process and provide early insights into personality and style – for better cultural fit and placements that last.

Our Unique Approach

1

Requirements Gathering

Upon commencing a search we engage with your key stakeholders to gain an in-depth understanding of the requirements for the position along with your goals and organizational culture.

2

Targeted Sourcing

We apply our dedicated industry expertise and extensive network to identify and engage with high-quality candidates who match your criteria.

3

Comprehensive Screening

Our in-depth screenings ensure candidates not only possess the necessary skills and experience but also fit well with your organizational culture.

4

Web-Based Videos

Our innovative use of video early on humanizes the search process and gives both parties a deeper sense of leadership and cultural alignment.

5

Presentation and Support

We deliver a short list of the best candidates and provide support throughout the interview and selection process.

Shared-Risk Fee Structure

We offer a more flexible and client-centric fee structure. The majority (two-thirds) of our fees are based upon key performance milestones and only invoiced once those metrics are reached.

Commitment to Diversity

We are committed to promoting Diversity, Equity, and Inclusion (DEI) initiatives for our clients. 97% of our candidate slates have female and/or diversity representation.

Markets we serve:

- Hospitals
- Healthcare Systems
- Medical Groups
- Private Medical Offices
- Non-Profits
- Life Sciences Companies
- And more

Let's Get Started

If you need external support to fill a permanent or interim position or simply want to augment your internal team's search efforts, Rokos Group can accelerate and elevate your search process.
